NOMENCLATURE

| | |
|--------|-----------------------------|
| LE | Lyapunov Exponents |
| e_i | Error dynamics |
| $V(e)$ | Lyapunov candidate function |

Greek symbols

| | |
|-------------|--------------------------------------|
| λ_i | Roots of the characteristic equation |
|-------------|--------------------------------------|

Subscripts

| | |
|---|--|
| U | Control |
| p | Matrix of Lyapunov function |
| Q | Matrix derivative of Lyapunov function |
